**This is a double elimination tournament.**

\*Boards are positioned 27' from front edge to front edge.

**Woody** – Refers to any cornhole bag that has been pitched and remains on the cornhole board playing surface at the conclusion of the frame.

**Cornhole** – Refers to any cornhole bag that has been pitched and passes through the cornhole board hole at any time within the frame.

**Foul Bags** – Refers to any cornhole bag that has not been determined as a “woody” or “cornhole”, or was designated a foul bag as the result of rules violation.

**Cornhole foul lines:** the front edge of the board is the foul line.

**Cancellation Scoring:** The approved method of scoring for the sport of cornhole is “cancellation” scoring. In cancellation scoring, the points of one player cancel out the points of their opponent. Using this method, only one player/team can score in each frame.

**Woody: Each woody is worth one (1) point**

**Cornhole: Each cornhole is worth three (3) points**

*Example:*

*Red achieves one (1) woody and two (2) cornholes during the frame (7 total pts)*

*Blue achieves two (2) woodies and zero (0) cornholes during the frame (2 total pts)*

*7 points – 2 points = Red scores 5 points for that frame*

\*Team A competes against Team B – each team is comprised of two (2) people.

Each team will stay in their designated lane for the whole game.

Players at the headboard will alternate pitching bags until each player has pitched all (4) of his/her bags.

Players at the footboard will take score and resume pitching back to the other cornhole board.

**\*The game shall be played to the pre-determined amount of 21 points.** The first player/team to reach(or exceed) that amount at the conclusion of a frame is the winner.
